This class is for everyone – whether you are riding for fun, tuning in or zoning out, losing weight and improving health, getting ready for your next race, or just enjoying the camaraderie of a group ride. All rides will include a warm-up, 40-minute ride in one of the Spinning® Energy Zones™, and a cool down. Heart rate monitors are encouraged for this class but are not required. *(Water bottles and towels are mandatory. Inform the instructor if this is your first class.)*
Intermediate – Advanced

■ **Step.** An energizing and athletic workout using an adjustable step platform to step up and down to upbeat music. All levels

■ **Restorative Yoga.** Each restorative sequence helps to relieve the effects of chronic stress and is designed to move the spine in all directions. These movements illustrate the age-old wisdom of yoga that well-being is enhanced by a healthy spine. *All levels*

■ **Power Yoga.** Power Yoga will explore strength-based yoga postures to develop greater overall muscle tone, more core control and perfect posture. Gentle warm-ups will loosen shoulders, neck, back, legs and feet. The yoga portion will be done while seated in a chair or using a chair for support. The chi kung series uses gentle, flowing movements, combined with deep breathing that enhances the flow of chi, the energy that fuels your mind, body and spirit, boosting your immunity and increasing your energy. This 45-minute class includes guided meditation to increase your ability to deal with stress.
