

Celebrating *and* Remembering Excellence in Nursing *at Blount Memorial*

Blount Memorial Hospital has a long tradition of nursing excellence. Preserving this legacy requires an ongoing commitment to nurture the next generation of talented and dedicated hometown nurses.

The Nurses C.A.R.E. fund helps in this effort by providing \$250 scholarships to at least two local nursing students to help pay for textbooks. The fund was established by a group of retired Blount Memorial nurses as a way to honor the memories of deceased nurses, celebrate current and former nurses, and support future nurses.

HOW YOU CAN HELP Your donation of any amount directly benefits two deserving, local nursing students. All donations are tax-deductible and can be made in memory or in celebration of a deceased, former, current or future nurse.

To be eligible for a Nurses C.A.R.E. textbook scholarship, applicants must:

- be Blount Memorial employees
- have an acceptance letter to a college of nursing, registered nursing (RN) or bachelor's of science in nursing (BSN) program
- live in Blount County
