A Symphony of Sharing

Heroes

*Honoring Employees by
Recognizing Outstanding and
Extraordinary Service*

Thank You

Making a difference in the lives of others is what Blount Memorial employees do every day. It's part of what makes them so special and it's one of the reasons why they chose a career in health care.

While the people who work at the hospital don't expect special thanks for their efforts, often our patients and their families ask us how they can recognize exemplary service. The HEROES program offers that opportunity while also helping the hospital extend its healing reach to neighbors in need.

If a Blount Memorial physician, employee or volunteer made a difference in your life or the life of a loved one during a hospital visit, we invite you to consider honoring that person with a charitable donation to the HEROES program. All heroes will be notified of any gifts given in their honor, and donors can choose to remain anonymous.

Who Can Be a Hero?

Anyone who works or volunteers at Blount Memorial can be recognized through the HEROES program including:

- physicians, nurses and specialists
- dietitians, therapists and social workers
- counselors, chaplains and volunteers
- technicians, housekeepers and dietary staff
- administrative, support and transportation personnel

How Your Gift Helps Others

Your HEROES gift may be unrestricted or designated to support one of these special programs or funds:

- The Greatest-need Fund** (cancer patient support services)
- Breast Health Gifts Fund**
- Palliative Care and Hospice Gifts Fund**
- Medical Fitness and Diabetes Management Center scholarships**

Financial gifts of any amount help us to help others. So in addition to honoring your hero, your contribution will make a lasting impact on the health of our community.

All gifts are tax-deductible as provided by law.
