

PALLIATIVE CARE AND HOSPICE FUND GIFTS

A Symphony of Sharing

*Ensuring guidance and support
for challenging medical conditions.*

Palliative Care and Hospice Fund Gifts

Blount Memorial Hospice's trained professionals and volunteers provide needed help by offering families and patients pain and symptom care, as well as spiritual and emotional care for dying people. The hospital's Palliative Care staff focuses on making people comfortable while combining pain and symptom care into all stages of treatment for patients with progressive, chronic or end-stage illnesses.

Your gift helps ensure our community has access to guidance and support when making challenging medical decisions and while grieving the loss of a loved one, and it's a meaningful way to honor and memorialize loved ones while also supporting the community.

How are Palliative Care and Hospice Fund Gifts used?

As a donor, you enable the palliative care department and hospice program to provide assistance to patients and families who have limited financial resources, but need assistance. Your gift also helps purchase needed medical equipment, as well as provide education and informational materials.

How will my Palliative Care and Hospice Fund Gifts be recognized?

You will receive prompt acknowledgement by mail of your generosity. The individual or family will be notified of your gift, and the donation amount is kept confidential. All Palliative Care and Hospice Fund Gifts are listed in Blount Memorial Foundation and Community Outreach publications.

All gifts are tax-deductable as provided by law.
